The lead time for a customized shower base smaller than 78" x 39" is 5 days. For a one-piece shower base, the maximum size is 96" W x 60" D. Sizes exceeding 78" x 39 will require a lead time of 10 days. Additionally, sizes wider than 96" will be shipped in two pieces, which can be seamlessly joined in the field using liquid Epoxy." on the customized shower base order form.
